EXPLORE ON A CABIN CRUISER

Drive yourself down the rivers of the U.K., France, Germany, Holland, Italy or Ireland and explore the culture, the people, the history, the food and the wine.

A Cabin Cruiser is perfect for a family or group of friends wanting to leisurely explore the countryside in comfort with room to enjoy. Some have sliding covers to let in the sun and the sounds. The boats are self-contained and are very easy to drive. Indoors, the saloon is the place for board games, family discussions or intimate dinners. Enjoy the people and the culture as you meander 21 cruising regions in the U.K. & Europe. Here are some sample cruising areas with sample prices:

 England	On the Royal River - The river Thames snakes serenely through the heart of the historic lands of the English Crown. Many different sights include green pastures and wooded hills to charming villages; the essence of Old England. The charm of the countryside will entice you to moor up often on your cruise and enjoy some of the many English pubs and restaurants that can be found on the banks of the river.	From \$1,180 USD total for 7 days for 2 people
 Scotland	The Magic of the Highlands - Rousing history and stunning landscapes await your arrival in the Highlands. Steeped in antiquity, the lush green hillsides clad in silvery heather simply exude the essence of Celtic myths and legends. From Inverness to Fort William, the Caledonian Canal at the heart of the great Glen fault unveils it's magic to you as you cruise past castles and wonderful people.	From \$1,515 USD total for 7 days for 4 people
 France	The largest boating region in the Crown Blue Line range, France offers a great variety of rivers and canals to cruise through. From the Breton waterways, which are steeped in history to the Midi with its stunning sunshine and sparkling waters, there is a region to please everyone. Burgundy is one of our favourites with some of France's best wines where gastronomy is a way of life.	From \$2,150 USD total for 7 days for 4 people
 Germany	Unspoiled Natural Paradise - The Länder of Brandenburg and Mecklenburg are two of the most remarkable regions in Europe. This astonishingly wild landscape of meadows, lakes, rivers and trees that break the skyline offers a truly unique ecological environment. These two areas offer a chance to do some fishing in the numerous lakes and then sample the local produce in the restaurants.	From \$1,565 USD total for 7 days for 4 people
 Ireland	Cruising the delights of the Emerald Isle - On the shores of the River Erne you can explore the marvellous labyrinth of waters and islands of the Upper Lough Erne and further afield, Lower Lough Erne. These clear blue waters are an angler's paradise and there are numerous moorings to indulge your pleasure or to simply relax and soak up the peace and tranquillity of these magical surroundings.	From \$1,525 USD total for 7 days for 4 people

Cabin Cruisers come in several sizes capable of sleeping 2 to 12 people depending upon the cruising area chosen and vessel type. These vessels are simple to drive and are found on many rivers in the countries indicated. They also become booked up very early in the new year so we recommend booking early to avoid disappointment on your choice of country and river or canal. Some Early Booking discounts are available.
